

# My Guide

The lighthouse glistens  
the sea,  
a star  
guiding me.

*Splliish,*  
*Splaaaash,*  
*SWIISSHH!*  
The current grows mighty.

*Will we make it?*

I know it is here  
with me,  
always guiding  
my path.

I trust  
the light always  
and will follow  
its way.

*I am safe.*  
He shines on.
