Notes:

- May 1 is the deadline for priority applications for classes with enrollment restrictions. However, we will continue to take applications through the summer.
- New classes for 2018-2019 – Cybersecurity and English 111/112. Both classes will be limited to 25 students per section. For Cybersecurity, students will commit to attending up to three (3) days of instruction in the Cybersecurity Lab at the Southwest Virginia Higher Education Center.
- Human Anatomy & Physiology will be a year-long course beginning in 2018-2019. Note Creative Writing is now offered only during 2nd semester.
- Engineering & Robotics is back for 2018-2019. We plan to offer every other year.
- Cybersecurity, English, and Human Anatomy & Physiology may be competitive admissions classes due to enrollment caps. If a student would like to provide a short essay with their application sharing why they are interested in a particular class they may do so to potentially enhance their application.
- We reserve the right to reduce a section if the enrollment is not sufficient.
- Please note the class meeting times for Block III.
