

A. LINWOOD HOLTON GOVERNOR'S SCHOOL
MASTER SCHEDULE
2019-2020

First Semester Block Courses

Block I	8:20-9:50	Astronomy Biology 101 History of Western Civilization Human Anatomy & Physiology (Part I)
Block II	10:00-11:30	Biology 101 History of Western Civilization Human Anatomy & Physiology (Part I) Principles of Physics Probability and Statistics
Block III (A)	12:00-1:30	Human Anatomy & Physiology (Part I)
Block III (B)	12:50-2:15	History of Western Civilization

Second Semester Block Courses

Block I	8:20-9:50	Biology 102 History of Western Civilization Human Anatomy & Physiology (Part II) Principles of Physics
Block II	10:00-11:30	Astronomy Biology 102 History of Western Civilization Human Anatomy & Physiology (Part II) Introduction to Engineering Methods & Computer Programming
Block III (A)	12:00-1:30	History of Western Civilization Human Anatomy & Physiology (Part II)

Year-Long Courses

Zero Period	7:20-8:10	Human Anatomy & Physiology (Part I and II)
5th Period	1:25-2:15	English 111/112
6th Period	1:40-2:30	Introduction to Engineering Methods & Computer Programming

Notes:

- May 1 is the deadline for priority applications for classes with enrollment restrictions. However, we will continue to take applications through the summer.
- Human Anatomy & Physiology times have not been finalized. We have 4 time frames listed but will drop one of them. The two time frames we are committed to are Block I and II.
- Cyber security students will commit to attending up to three (3) days of instruction in the Cybersecurity Lab at the Southwest Virginia Higher Education Center if required by instructor.
- Cybersecurity, English, and Human Anatomy & Physiology may be competitive admissions classes due to enrollment caps. If a student would like to provide a short essay with their application sharing why they are interested in a particular class they may do so to potentially enhance their application.
- We reserve the right to reduce a section if the enrollment is not sufficient.
- Please note the class meeting times for Block III.

ASYNCHRONOUS COURSE SCHEDULE 2018-2019

Year-Long Courses

Advanced Multimedia
Environmental Science

First Semester

Advanced Multimedia
Appalachian History
Cybersecurity
English 111/112
Environmental Science
History of World Civilization

Second Semester

Advanced Multimedia
Appalachian History
Creative Writing
Cybersecurity
Environmental Science
History of World Civilization

Enrollment Caps

Synchronous Courses

Anatomy & Physiology | 30 students/section
Biology | 25 students/section
Western Civilization | 30 students/section

Asynchronous Courses

Minimum of five students for a section to be offered.

Creative Writing | 25 students/section
Cybersecurity | 25 students/section
Environmental Science | 25 students/section
