

Old Dominion University, Gene W. Hirschfeld School of Dental Hygiene and Delta Dental of Virginia Foundation present

# Dental Health Summer Institute

Building Diversity in the Dental Field

# FREE Dental Sciences Camp!

The Dental Health Summer Institute is a **FREE** course for high school students interested in learning more about dental health professions.

- Join us virtually each day, from 9 a.m.-12 p.m., June 23-27, 2025. The June 26 class will also have an in-person option from 2-5 p.m. at:
  - Old Dominion University
  - Mountain Empire Community College
  - Northern Virginia Community College
  - Reynolds Community College
  - Virginia Western Community College
  - Wytheville Community College
- Visit the college of the student's choice (listed above) for a tour, meeting with representatives from health sciences and to learn more about the admissions process.
- Receive a **FREE** dental lab kit!
- All are welcome to apply, but preference will be given to under-represented students and rising high school Sophomores, Juniors and Seniors.

Apply by March 7th, 2025:
