

2026-2027 Course Schedule

James Monroe High School

Synchronous Classes

Fall Semester 2026

Block I	8:20 – 9:50 a.m.	General Chemistry I (CHM 111) * History of Western Civilization (HIS 101/HIS 102) Human Anatomy & Physiology I (BIO 141) * Physical Geology (GOL 105) hybrid class: see below
Block II	10:00 – 11:30 a.m.	History of Western Civilization (HIS 101/HIS 102) Human Anatomy & Physiology I (BIO 141) * Introductory Chemistry (CHM 101)
Block IIIA	11:30 – 12:45 p.m.	General Chemistry I (CHM 111) *
Block IIIB	12:00 – 1:30 p.m.	General Biology I (BIO 101) * History of Western Civilization (HIS 101/HIS 102) Human Anatomy & Physiology I (BIO 141) *
Block IV	12:45 – 2:00 p.m.	General Chemistry I (CHM 111) *

* Course continues into the spring semester

Spring Semester 2027

Block I	8:20 – 9:50 a.m.	General Chemistry II (CHM 112) ** Historical Geology (GOL 106) hybrid class: see below History of World Civilization (HIS 111/HIS 112) Human Anatomy & Physiology II (BIO 142) **
Block II	10:00 – 11:30 a.m.	History of Western Civilization (HIS 101/HIS 102) Human Anatomy & Physiology II (BIO 142) ** Introductory Chemistry (CHM 101)
Block IIIA	11:30 – 12:45 p.m.	General Chemistry II (CHM 112) **
Block IIIB	12:00 – 1:30 p.m.	General Biology II (BIO 102) ** History of Western Civilization (HIS 101/HIS 102) Human Anatomy & Physiology II (BIO 142) **
Block IV	12:45 – 2:00 p.m.	General Chemistry II (CHM 112) **

** Course continued from fall semester: student must have taken fall semester part I to take spring semester part II.

NOTES:

Human Anatomy & Physiology, General Biology, Environmental Science, and Chemistry students commit to attending 1-2 days per semester of lab activities at the Southwest Virginia Higher Education Center (Abingdon, Virginia) or another identified site.

Physical Geology and Historical Geology are hybrid classes: part synchronous and part asynchronous.

April 10 is the deadline for priority applications for classes with enrollment restrictions.

However, we will continue to take applications through the summer as space is available in courses.

We reserve the right to delete a section if the enrollment is not sufficient

Asynchronous Classes

Fall Semester 2026

Classes paced as if a 90-minute daily class meeting schedule

Cybersecurity (ITE 105/ITN 101)

Environmental Science Foundations (ENV 121) (see note below)

History of World Civilization (HIS 111/HIS 112)

Medical Terminology (HLT 143)

Political Science (PLS 135/PLS 136)

Spring Semester 2027

Classes paced as if a 90-minute daily class meeting schedule

Cybersecurity (ITE 105/ITN 101)

Environmental Science Applications (ENV 122) (see note below)

History of World Civilization (HIS 111/HIS 112)

Medical Terminology (HLT 143)

Political Science (PLS 135/PLS 136)

United States History (HIS 121/HIS 122)

NOTES:

Human Anatomy & Physiology, General Biology, Environmental Science, and Chemistry students commit to attending 1-2 days per semester of lab activities at the Southwest Virginia Higher Education Center (Abingdon, Virginia) or another identified site.

April 10 is the deadline for priority applications for classes with enrollment restrictions.

However, we will continue to take applications through the summer as space is available in courses.

We reserve the right to delete a section if the enrollment is not sufficient.

Enrollment Caps

Synchronous Courses

25 Students/section Enrollment Cap:

General Biology

General Chemistry

History of Western Civilization

Human Anatomy & Physiology

Asynchronous Courses

NOTE: Minimum of five students for a section to be offered

25 Students/section Enrollment Cap:

Medical Terminology

History of World Civilization
